4a	**Which British cosmetics retailer**, founded in Poole in 1995 by the Constantine family among others, has 951 stores globally? All its products are vegetarian or vegan, including the popular Dream Cream body lotion and festive Snow Fairy collection, but it is best known for its extensive range of fragrant bath bombs.	**<u>LUSH</u>**
4b	Though the term is often used more loosely, **what name** is given to the philosophical view that it is impossible to obtain absolute knowledge regarding the existence or nature of God? The term is derived ultimately from Greek words meaning 'not knowing'.	**<u>AGNOSTICISM</u>**

We hope you have enjoyed this last 16 match. Please note that the teams should now move to the Zoom rooms given in the email from OQL so that the winners can play their Quarter Final matches and the losers can play the QF set as a friendly.

Nearest the Bull

If this question is required, each team must nominate one player only to answer this question. The QM should read the question aloud and ask the two nominated players to send them a private message with their answer. Whichever team's answer is closer to the correct answer wins the match.

Q: How many people are mentioned by name in the lyrics of Billy Joel's hit song 'We Didn't Start the Fire'?

A: 59

Spares

1	In a party activity which is popular in North America, a decorated container is broken open to release sweets and toys which were hidden within. **What Spanish name** is given to these containers, which are often shaped like animals?	**PIÑATAS**
